立了密切的学术联系，大批外籍专家和教师在校任教讲学。出国（境）研修、参加国际会议、开展合作科研的教师人数持续攀升。与国外大学共建四所孔子学院，积极选派汉语教师及志愿者赴国外开展汉语教学，传播中国语言与文化。大力推动学生的国际双向流动，每年选派大批学生赴国（境）外 10 个国家的 30 多所学校进行交流学习，有来自全球 140 个国家或地区的近 700 名国际学生在我校学习、深造。

# About CCNU

Central China Normal University (CCNU) was founded in 1903 in Wuhan, the capital city of Hubei Province. Central China Normal University (CCNU) is a key comprehensive university under the direct administration of the Ministry of Education. As one of the universities on the list of

211 National Education Priority Project, Central China Normal University is highly recognized as an important base for cultivating brilliant talents for the country as well as a superior training center for excellent teachers in institutions of higher learning.

The 28 colleges and 67 scientific research institutions of CCNU offer a comprehensive higher education system covering undergraduates, master, doctoral to post-doctoral programs for full-time and adult students with 3 disciplines listed in the plan of first-class disciplines initiative of China, 9 disciplines in the country's con-

struction plan of national key disciplines and 22 disciplines on the Hubei provincial first-class discipline construction list. There are currently more than 34,200 students, including over 18,700 undergraduates, 14,800 graduate students, and nearly 700 international students.

## About CCNU

Over the years, the university has developed its profound campus culture characteristic of "erudition, love, and elegance", and more than 100 student clubs are active on the campus, such events as "The Innovation Cup Science and Culture Festival", the "Boya Lecture Hall", the "12•9 Poetry and Prose Competition" and the "Song of Gui Yuan" have become the most popular campus cultural activities with a great impact in Wuhan and even in China, providing a broad stage for students. The university has a full coverage of the campus wireless network and air-conditioning in student dormitories. The library is one of the top libraries in Hubei Province covering an area of nearly 5 million square meters with a collection of more than 3 million books. The advanced "campus literature network management and service system", provides a strong guarantee for students' study and life.

Central China Normal University is one of the first Universities to accept international students. We have established close relationships with many key universities and research institutes in the world. We have conducted school-to-school exchanges and extensive academic cooperation with more than 150 universities from over 70 countries, including the U.S., Canada, Germany, Japan,

Russia, France, New Zealand, Australia, South Korea, Vietnam, and so forth. Foreign experts and professors are regularly invited to teach at the university. In recent years, lecturers and professors of the university have been constantly sent abroad for further study. The number of teachers going abroad for training, attending international conferences, and conducting collaborative research
