This study aims to re-examine the essential notion of “gap” in the studies of relative clauses. Following Creissels’ (Creissels, Denis. 2006. *Syntaxe générale: une introduction typologique*. Paris: Hermès; Creissels, Denis. 2019. Remarks on the typology of noun-modifying clause constructions. Paper presented at the Conference of Complex Sentences, Central China Normal University, 26–29 July) discussion, we argue that there are at least three types of gaps in terms of their respective compositions...
